

## CARBON FINANCE WORKSHOP - CARBON MONEY AFRICA

- ⇒ How to Make Money from Sustainable Carbon Projects in Malawi?
- ⇒ How to Save Money from Low Carbon Investments in Malawi?

**Pacific Hotel, Lilongwe, Malawi**

**6 – 7 February, 2012**

### Why Malawi?

- ⇒ Huge potential to earn and save money from carbon projects but little has been achieved so far
- ⇒ Lack of knowledge and low awareness on carbon finance potential among public and private sectors
- ⇒ Carbon projects are highly needed in Malawi due to their impacts on Sustainable Development

### Who should participate?

- ⇒ Potential projects developers (i.e. RE like Wind, Solar, Hydro and Biomass; Cement; Landfill; Bio-fuel; Green building; Forestry; Manufacturing industry; Transport)
- ⇒ Regulators and Governmental officials
- ⇒ Policy makers
- ⇒ NGOs
- ⇒ CDM projects owners
- ⇒ Investors from private and public sectors
- ⇒ Banks and other financial institutions
- ⇒ Legal advisors and lawyers
- ⇒ Green corporations from multiple industries

### Fee (Participation, tea, lunches, certificate, stationeries)

Private Sector: **400 USD**  
Public Sector: **350 USD**  
NGOs: **350 USD**  
CAFANet Members: **350 USD**

- ⇒ Green technology and equipment Suppliers
- ⇒ Fund managers
- ⇒ Aid and sustainable development agencies entrepreneurs
- ⇒ Interested individuals

### Why participating?

- ⇒ You will know how to make money from carbon projects
- ⇒ You will know how to finance carbon projects
- ⇒ You will be linked up with potential financiers for your carbon projects
- ⇒ You will know how to identify, develop, implement, and monitor carbon projects
- ⇒ You will know how to identify and implement low carbon technologies that can save you money
- ⇒ You will know how to generate money from carbon-related activities
- ⇒ You will know how carbon projects can improve livelihood conditions of local communities
